No such notice was issued to the writ-petitioner before the line was dis-connected.

In stead of issuing this to the respondents it appears that matter can be disposed of as follows:—

Subject to payment of ~~pending~~ bill if any, and subject to payment of required re-connection charges, the electricity supply shall stand restored, by supplying electricity in service connection bearing no. 101232 at ward no. 19, Sindhi Colony, Champa.

2. This shall be done within two days from the date of receipt of this order.
